3. (Unclassified - RJK) LIAISON Spoke with Greg Moore, in the district office of Representative Charles H. Wilson (D., Calif.), in connection with a request from the Congressman concerning "discretionary grants" available to the public from the Agency. Moore explained that what is meant by this term are funds available to the head of an agency to use at his discretion or for contingencies. He apologized for the lack of clarity in the letter. I explained to him that Agency funds were reviewed by appropriate committees of Congress but were not disclosed to the public. He requested that we state that in our response to the Congressman and I said we would do so.
